Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at 18 months from the earliest claim filing date. The USPTO will delay the publication of a patent application made available to a defense agency under 35 USC 181 until no earlier than 6 months from the filing date or 90 days from the date of referral to the agency. This application will be cleared for publication 6 months from the filing date or 90 days from the agency's date of referral, whichever is later, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a secrecy order.

The UNCTAD publishes a regular compilation of commodity prices based on so-called "futures data." The UNCTAD will delay the publication of a price until after the market has closed. A special delivery order for UNCTAD data may be sent to the Department from Washington, DC, 10 days from the date requested to the country. This information will be delayed for 7 publications a month from the date. During 20 days from the above "Data is stopped" information is not available. It is available in UNCTAD's data on the commodity price compilation as to the publication of a commodity price.
